## **VISION Relocation Group Announces Opening of Headquarters and Southeast Client Services Center Building**

*Chantilly, VA (June 16, 2008)* – Rebecca Spencer, President of VISION Relocation Group, LLC., a leading global relocation management and consulting services firm is pleased to announce the opening of the new Headquarters and Southeast Client Services Center building located in Chantilly, Virginia.

The former Headquarters building, which was located in Fairfax, Virginia, was insufficient in accommodating the growth of VISION. However, the new building is large enough to accommodate not only the current demands of the company, but also gives VISION ample room to accommodate future growth and expansion.

“Moving to the larger building reflects our success over the past few years, as well as anticipation of our future performance,” Spencer said. “The new building will allow us to continue the expansion of our company and capabilities, while accommodating additional associates to focus on our clients, their transferees, and VISION’s business partners.”
